

# REFURBISHED

Machine available at short notice

## CHIRON Series MILL 800 five axis

### Master Data

- Manufacturer	CHIRON
- Series	Series MILL
- Model	MILL 800 five axis
- Reference Number	<b>310-13</b>
- Retrofit Class	Completely refurbished
- Year of manufacture	2011
- Available from	CW19/2026
- <b>Special price</b>	<b>320,000.00 €</b>

## All machine data at a glance

### Technical Data

- Travel X - Y - Z max.	800 - 630 - 550 mm
- Power max.	22.5 kW
- Number of spindles	1
- Spindle speed max.	20 to 12,000 rpm
- Spindle torque max.	140 Nm
- Rapid traverse X - Y - Z max.	60 x 60 x 60 m/min
- Number of tools max.	40
- Tool holder	HSK-A63
- Tool changer	CHIRON Chain Tool Changer
- Table	NC rotary-swivel axis
- Clamping surface	Faceplatten Ø 280 mm
- Control	Siemens 840D PL

### Options

- Cycle 800
- Stationary 3D touch probe system
- Machine Setup
  - Internal cooling via the spindle
- Hydraulic power unit 1 x A/B
- Lasercontrol Single F500
- Vacuum connection
- Probes for automatic measurement on the machine
- Loader interface
- Washing gun
- Automatic centralized grease lubrication
- Automatic loading door with light barrier
- Chip conveyor ejection height 1,050mm
- Cooling system

Subject to technical changes
